

Robert Smutzler

PROFESSIONAL EXPERIENCE:

Mr. Smutzler has been employed with Certified Testing Services, Inc. since 1992. He has been the Laboratory Manager since 2002. His responsibilities in the laboratory and the field include testing and inspection of soils, concrete, structural steel and auger-cast piling. He reviews test results, prepares reports and trains new employees. Mr. Smutzler is also the Radiation Safety Officer and is responsible for monitoring the nuclear density gauges and the personnel using them to ensure that all state and federal guidelines are followed.

Professional Service Industries, Inc. Omaha, NE (1989-1992)

Responsibilities include testing and inspection of soils, concrete, structural steel, fireproofing and auger-cast piling. He was also responsible for reviewing test results and preparing reports.
